BUSTED!!!
Philadelphia: The Christ-Centered Church
Rev. 3:7-13

The Authenticity of Jesus Christ
"him who is holy and true"

His Word is True, His Way is Sure, His Will is Perfect

The Authority of Jesus Christ
"who holds the key of David"
Some have personal authority
Some have positional authority
Jesus has both.

The Assurance of Jesus Christ
"what he opens, no one can shut"
When Jesus opens a door for his church...
The Government cannot close it.
The philosophers cannot close it.
The banks cannot close it.
But, the people can refuse to walk through it.

The Activities of Jesus Christ
"I know... I have... I will..."
